

PRESS RELEASE

FOR IMMEDIATE RELEASE JOHANNESBURG – 8 DECEMBER 2023

Gold One's Modder East Operations regrets to inform the public that despite our ongoing efforts to prioritise the security and well-being of all personnel, a new hostage situation has emerged. The safety of our employees remains our utmost concern, and we are actively working to address this situation.

At this time, we are in the early stages of the investigation to determine the root cause of this unfortunate development. Our security and management team are working diligently to understand the situation, and we are cooperating with law enforcement agencies to bring about a peaceful resolution.

We will provide regular updates as the situation unfolds and as more information becomes available.

For further inquiries or information, please contact the Gold One spokesperson:
