**JOHANNESBURG – 13 JULY 2026**

## **Gold One confirms fatal incident at Modder East Operations**

Gold One regrets to confirm that a fatal incident occurred at its Modder East Operations on Saturday, 11 July 2026.

The Company extends its sincere and heartfelt condolences to the family, friends and colleagues of the deceased during this difficult time. The safety, health and wellbeing of our employees remain our foremost priority, and support is being provided to those affected by this tragic loss.

The Department of Mineral and Petroleum Resources (DMPR) and other stakeholders were notified immediately following the incident. An investigation is currently underway in conjunction with the relevant authorities to determine the circumstances surrounding the incident.

Gold One is committed to working closely with the DMPR and all stakeholders as part of the investigation. Out of respect for the deceased's family and the integrity of the investigation process, the Company will not provide further comment at this stage.
